ABOUT OUR FIRM

We are A LAW FIRM AND LEGAL CONSULTANCY AND DEBT COLLECTION office comprising a group of experienced lawyers and legal advisors with over 25 years of legal expertise. During this period, we have worked diligently to provide legal protection to our clients and have gained high-level experiences that we now offer to you.

Our LAW FIRM is a comprehensive service provider offering various types of legal support in all aspects of litigation, providing all legal services, aiming to meet all client needs.

We strive for excellence in everything we offer to our clients, considering our office as one of the leading law firms in the United Arab Emirates.

Our team consists of specialized and highly qualified lawyers, legal advisors, and assistants.

OUR FIRM VISION

To consistently maintain our firm as one of the leading and distinguished law firms in the practice of legal profession in the United Arab Emirates. We aim to provide legal services according to the highest standards in defending the rights and interests of our clients before all courts in the UAE, in all their types and degrees.

OUR POLICY

Our policy is to continuously work on development and stay updated with legal amendments in various fields. This ensures that we provide honest consultations and secure the interests of our clients while maintaining absolute confidentiality. We are committed to upholding the ethics of the legal profession, including confidentiality, integrity, transparency, and exerting maximum effort to ensure our clients obtain all their rights.

OUR MISSION

Provide legal services in a manner that ensures the recovery of rights, safeguards the rights of our clients, and assists them by providing the necessary legal consultations to secure their rights.

DEBT COLLECTION

We save time and effort for companies by representing them in debt collection through legal settlement methods and through judicial execution, ensuring continuous financial prosperity. We distinguish ourselves through commitment and responsibility in dealing with clients, maintaining continuous communication and achieving payment results.

LEGAL CONSULTANCY

At our firm, the team possesses extensive accumulated experience in all branches of law, enabling us to provide legal advice and consultations to all clients, leading to the best results in resolving their various issues. We provide you with the best legal services and accurate legal opinions to achieve accurate outcomes. We offer you the best legal services.

REAL STATES AND RENTAL CASES DISPUTES

Getting a reliable real estate lawyer is not an easy task. You need to search for someone who possesses the required skills and experience in this field. We have experienced lawyers and consultants specialized in real estate law and capable of handling various types of real estate disputes. They will discuss the details of your problems and take necessary action accordingly.

- And this is why you should choose our service: We understand the federal and local real estate laws in the United Arab Emirates, which helps us in litigating real estate disputes to achieve the best results. Contacting us will save you time and allow you to focus more on your core business activities. We are aware of cases where civil law, real estate laws, and public policy may create a sense of ambiguity and confusion, and we know how to deal with them. We have dealt with a wide range of matters, including disputes related to acquisitions, enforcement procedures, violations, transactions, bankruptcies, and more, representing developers, sellers, buyers, lenders, financial institutions, investors, and others. You can reach out to us at any time for legal advice or any other assistance regarding this matter. By getting our services, you will save both time and money.

- We prioritize efficiency over profit and strive hard to maintain the satisfaction of our clients with our services.

DRAFTING CONTRACTS, AGREEMENTS AND DOCUMENTS

Our law firm specializes in drafting contracts related to the establishment of individual enterprises or national and mixed companies in all their forms. We also draft various contracts, including sales, lease, mortgage, insurance and donation contracts or bequest. Additionally, we work on drafting all commitments, correspondences, and any other legal documents in which the client is a party. We also review and revise documents that have been drafted by others, alerting or notifying the client to any terms that may be detrimental to their interests and are indirectly included in the contract, only discovered through accurate legal examination.

COMMERCIAL CASES

Commercial activity in the UAE is of a distinctive and fundamental nature to the country's economy. Legal services in the commercial field are considered one of the most important areas that our institution specializes in. This includes representing companies and individuals by providing legal consultations regarding their various activities, as well as establishing different types of companies. Our institution comprises experts who specialize in the registration and licensing procedures of institutions and companies, as well as drafting their founding contracts and subsequent amendments with local and federal authorities, such as the Economic Department, Chambers of Commerce, Chambers of Industry in all the UAE. We provide commercial legal services for banks, real estate companies, insurance companies, retail companies, and collection companies.

CASES AND DISPUTES RELATED TO COMPANIES

Lawsuits related to companies are essential for resolving the disputes that companies typically face these days. Our specialized lawyers and consultants can assist you in all types of internal, external, local, and international corporate cases. If you are a foreign investor looking to establish a company in the country,

We protect the interests of our clients in various contentious cases that may arise within the company. We handle all of this with utmost care and efficiency, starting from small local cases to complex international matters. For these reasons, we are given priority.

Common Problem Resolution

Contract breaches are one of the most common issues faced, along with many other cases involving shareholder disputes, contract disputes, post-merger disputes, and many more. We have defended many of these cases and helped our clients achieve favorable outcomes.

FINANCIAL AND BANKING DISPUTES

The sudden surge in banking and financial activities over the past few years has brought about significant scientific and practical changes.

The United Arab Emirates has also been affected by these changes due to its status as a international commercial center . Companies are keen on benefiting from the best financial services that ensure growth and improved efficiency. However, individuals should not ignore the legal risks associated with these matters. Banks and companies may need to continuously address such issues. Therefore, it is important to have a legal team that can support you and keep you away from the legal troubles associated with them.

we can assist our clients in the following areas:

- Lender's liabilities**
- Guarantor-related cases**
- Mortgage disputes**
- Regulatory investigations**
- Fraudulent activities**

Our team consists of highly experienced professionals in the field of banking and financial services, including former investment company lawyers with extensive knowledge and experience. Our litigators can assist you with cases related to capital markets, including common cases such as contract violations, securities issuances, investment matters, and more.

ARBITRATION CASES

Arbitration is one of the most effective alternative solutions to settle disputes arising between the parties without referral to court. Since arbitration is an important means of resolving and settling disputes and is preferred as a first option due to its speed in resolving disputes and its shortening of time and expenses, our office was keen to allocate a section for arbitration of all types and in all fields. We also prepare arbitration memorandums and represent our agents before arbitration committees and the Dubai International Arbitration Center and ratify the issued legal Arbitrators rulings and their implementation, as well as objecting to them and filing claims for the invalidity of arbitrators' rulings. Our office always aims to help our clients meet all their legal support needs while maintaining time-efficient and economical costs. We can handle all types of arbitration and enforce arbitration rulings if necessary. We are also familiar with international arbitration institutions that conduct hearings in both Arabic and English languages. The list includes:

- **United Nations Commission on International Trade Law (UNCITRAL)**
- **Dubai International Arbitration Centre (DIAC)**
- **International Chamber of Commerce (ICC)**
- **International Centre for Settlement of Investment Disputes (ICSID)**
- **Abu Dhabi Conciliation and Commercial Arbitration Centre (ADCCAC)**
- **London Court of International Arbitration (LCIA)**

EXECUTION CASES

Since the execution of judgments is the goal of the lawsuit, through which the court ruling is translated into a tangible reality, our office has paid attention to the execution department for the purpose of following up on the execution of judgments after they are issued in the shortest possible time, accurately and efficiently through a group of specialists, quickly opening the execution file, following up on its procedures, and taking all measures that help to achieve execute the ruling in an orderly and complete manner until payment of the adjudicated amounts is completed.

CRIMINAL CASES

Our institution offers comprehensive legal services through defence and advocacy before the competent authorities, including police stations, public prosecution offices, and criminal courts. We represent both defendants and claimants in civil rights cases by providing necessary services before police stations and public prosecution offices until the completion of case proceedings and achieving the best possible results. The office handles various types and stages of criminal defence cases, including the Court of First Instance, the Court of Appeal, the Court of Cassation in Dubai, and the Federal Supreme Court in Abu Dhabi. Additionally, the office handles all necessary requests before investigative authorities, including police stations and public prosecution offices.

ADMINISTRATIVE CASES AND GOVERNMENTAL DISPUTES

Taking a stance against regulatory agencies is a courageous act that requires a lot and a lot of readiness. And with just one mistake, you may lose the battle! But there's no need to worry because we will support you to salvage the situation. We defend those who defend their rights, even if the matter is related to the UAE government and administrative authorities. We also provide our services to anyone facing administrative and governmental disputes who has been unable to obtain the required legal support, facilitate the procedures taken, and improve their efficiency in terms of time. Contact us for our legal assistance. Our legal advisors will listen to you carefully and try to envision the entire scenario. They will then be able to understand the situation and determine the next course of action. We appoint an experienced administrative lawyer after discussing your issues to consider the matter and understand the involved legal aspects and risks. We conduct legal, political, and social research in all relevant fields that help us achieve the best outcomes. Utilizing diligence, patience, and perseverance for individual rights without affecting the relationship with other parties and authorities is the most challenging part for us. There's no need to be stressed as we are a team of skilled and experienced attorneys who know how to handle such cases with utmost diplomacy while adhering to legal and ethical aspects. We also protect you from unfair tariffs and eventual losses, it's not only about achieving the best results but also acknowledging the fact that you have many other tasks to accomplish, and you're often running out of time. Our procedures are highly efficient in terms of time consumption, where our clients bear economic costs for our services in the end. We are ready to serve our clients by providing the best legal support.

COMPENSATION CASES

Our office handles all types of compensation cases based on contractual liability, or negligence of others, whether professional, personal, or consequential, as well as cases arising from accidents, which helps the injured party obtain his rights and compensation commensurate with the damages he suffers. We are distinguished by speed and careful follow-up from the beginning before the courts. Civil and criminal, and even collecting appropriate compensation to compensate for the damage.

LABOR CASES

Our office provides legal consultancy to both company owners and workers in order to achieve the best results regarding labor cases and claims. Due the increasing number of such claims in the time of the current economic development in the country, we strive to find the most suitable solutions in collaboration with workers and company owners. We represent them before all labor dispute departments and relevant courts. Our office is distinguished by a team of experienced professionals who specialize in drafting work regulations within the institution and establishing a list of penalties.

PERSONAL STATUS CASES

Every family faces a number of simple or complex problems that pose a challenge for them to confront and resolve. When any family faces a problem, all of its members will be affected by it, especially those living in the same house. The impact of these issues can be on individuals' mental well-being or may lead to physical problems. In the current era of pressures we live in, the need to live within a healthy and cohesive family is urgent. The family is the most important factor in a person's life, and any harm to family relationships is an extremely sensitive matter that requires a reasonable and precise intervention from a lawyer to find reasonable solutions. We offer you the right lawyers who have many years of collective experience in resolving various types of family issues. Such cases are handled intelligently without hurting their feelings and ensuring that their current and future lives are not negatively affected. We have extensive experience in providing advice to international families with connections to various countries.

The most common topics observed by our lawyers and consultants, which may give rise to these disputes, include:

- Divorce or separation**
- Child custody**
- Alimony**
- Inheritance**

MARITIME CASES AND DISPUTES

Maritime activities are growing day after day in the United Arab Emirates, and they often bring along disputes.

The best way to resolve these disputes is to seek assistance from a mediator or a similar institution instead of taking the case to court. People are now looking for alternative options that consume less time and can settle matters quickly. If you are looking for the best lawyer who can help you in these matters, you are in the right place. Our office accustomed to assisting its clients by providing alternative methods for settling maritime disputes. Just contact us! Regional disputes do not adhere to any logic. Despite clearly demarcated borders, they can arise at any time. This requires a competent legal team to handle and resolve the problem.

just choose us and obtain the settlement of maritime disputes, whether through amicable means or through various legal methods, such as resorting to litigation or arbitration if applicable.
